2000 Fiscal Year Final Research Report Summary

Research about the improvement of the school facilities to support the diversification of the school education

Research Project

Project/Area Number

11800015

Research Category

Grant-in-Aid for Special Purpose.

Allocation Type

Single-year Grants

Research Institution

Kanazawa University

Principal Investigator

GOTO Hiroshi Kanazawa Univ., Center for Cooperative Research, Assoc.Prof., 共同研究センター, 助教授 (30303267)

Co-Investigator(Kenkyū-buntansha)

HORII Hiroyuki Toyama Univ., Faculty of Education, Assoc.Prof., 教育学部, 助教授 (30190234)

YAMAGUCHI Katsumi Musashi institute of tech., Faculty of Engineering, Instructor, 工学部, 講師 (30200611)

KOMATSU Yukio Waseda Univ., School of Science & Engineering, Prof., 理工学部, 教授 (10133092)

HONDA Masato National Institute for Educational Policy Research, Researcher of Educational planning Section, 教育政策研究部, 研究員 (90282623)

YASHIKI Kazuyoshi National Institute for Educational Policy Research, Head of Educational planning Section, 教育政策研究部, 室長 (70150026)

Project Period (FY)

1999 – 2000

Keywords

School education / School facilities / Facilities improvement plan / Board of Education / Visit and interview investigation / Whole country investigation / Questionnaire investigation / Facilities maintenance

Research Abstract

The purpose of the investigation research is examined the actual condition of the school facilities improvement and a problem, and makes a method which the school facilities improvement of the future is examined.

The abstract is as follows. () is a writing assignment person.

§ 1 It gets an answer (salvage rate 69%) by The questionnaire investigation of the school facilities improvement concerning with 1,055 boards of education which are selected from the local public bodies in the whole country.
